PORTMAN

Washbasin in vitreous china in 3 sizes, 60cm x 48cm, 50cm x 42cm and 40cm x 37cm.
The wide range of punchings available for the Portman washbasin make it suitable for most applications.

SANDRINGHAM ROYALEX 64 • 56 • 51

Available in 3 sizes, 64cm x 47cm, 56cm x 41cm, 51cm x 41cm, this vitreous china washbasin is suitable for wall or pedestal fixing. Sizes 64cm and 56cm conform to BS 1188, available with corner tapholes. Suitable for housing, schools, factories and public buildings.

CLOAK ROOM SUITE

Longer living is a feature of modern times. Improvements in living standards and medicine now give a much greater life span to more and more people. Enjoyment of this advanced age is sometimes limited by one or more physical ailments, causing difficulties when using everyday facilities such as cloakrooms.

The ability to remain independent and still retain appreciation of good design is often restricted by the lack of products designed to cope with changing needs.

CDS REFRESH BASIN

The Refresh Basin is a wheelchair accessible washbasin, asymmetrical in design. Range of taps including standard lever or thermostatically controlled. Optional one or two tap holes, and adjustable height model. The special contoured bowl gives extra space for both knees to fit snugly underneath and is compliant with the recommended axle pivot turning radius of 31 inches or 78.7cms for wheelchairs.

CDS MONO BLOCK TAP

A quarter turn lever sequential mixer with flow adjustment. Supplied with supply pipes and service valves.

LEVER BASIN AND BATH TAPS

Style and economy are offered by this all purpose collection. The range provides a positive easy action throughout.
