

Palma Vita

Palma Vita Shower Toilet

The Clos-o-Mat Palma Vita automatic WC shower toilet provides flushing, washing and warm air drying from one simple operation. It is user-friendly for people who have restricted use of their hands. By reducing hand contact, it also provides improved hygiene for all users.

Palma Vita Features

- Simultaneous flushing and washing (a unique feature)
- Improved personal hygiene - cleaning with water not paper
- Can be used at all times as a conventional WC
- Combines functions of a WC and bidet with addition of drying air
- UK made in a dedicated plant
- Clos-o-Mat's unique system allows the user to benefit from the toilet's automatic functions by just pressing and releasing the elbow pad
- Simple 'hands free' action automatic flushing, warm water washing and warm air drying
- User-friendly system guarantees the most hygienic toilet performance
- Customised to suit individual needs
- Installation and service support available
- Almost 40,000 shower toilets installed in the UK
- **Maximum load: 190kg (30 stone)**

Touch sensitive switch

These are for those users who are unable to use standard elbow pads. 'Air operated', no electricity is required to operate them. The appropriate switch can be floor or wall mounted or hand held. Switches are all 'touch sensitive' requiring very light pressure.

Plinths

This shaped plinth raises the whole unit to a fixed height. For use with a shower chair (recommended max height 50mm), or to ease direct wheelchair transfer.

Available heights: 25, 50, 75 and 100mm. Manufactured in white plastic.

Gerberit

Perfect for those who wish to maintain independence and privacy in the bathroom, the Gerberit AquaClean 8000plus Care is elegantly designed and with a host of convenient features as standard, it promotes a unique sense of well-being that will benefit people of any age group in need of hands-free operation

The Gerberit AquaClean 8000plus Care feature a specially strengthened seat that is ideal for side transfer.

With the infra-red remote, using the Gerberit AquaClean 8000plus Care can be completely hands-free. A sensor simply detects movement and automatically starts the washing and drying sequence. It will even flush the WC beforehand - easy, private and convenient

PLINTHS

People with differing needs and abilities may find the height of conventional toilets difficult to use.

CDS have a range of toilet plinths designed as an alternative to the raised toilet seat allowing a standard height toilet to be raised at the base for maximum safety and stability.

Available in 4 sizes.

- 25mm
- 50mm
- 75mm
- 100mm
